reliable transportation, great tires, owned since 2004. This is my third Camry and I am now driving my 4th, a 2019. These Camry s run and run and run. 250,100 miles on this one. Tires, breaks, oil is about all they seem to need..... I have only needed to replaced the serpentine belt, the battery and starter , besides normal maintenance over the years I have owned it.

A great buy, well below Kelly book or dealer price!
